Steps For Posting On Facebook
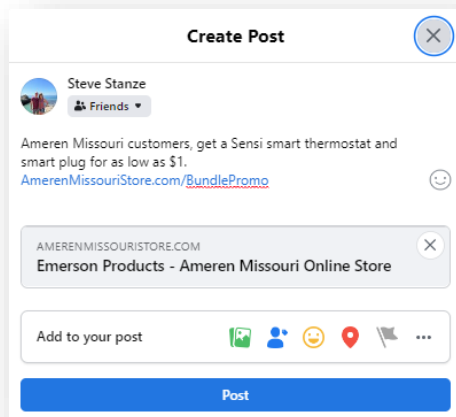

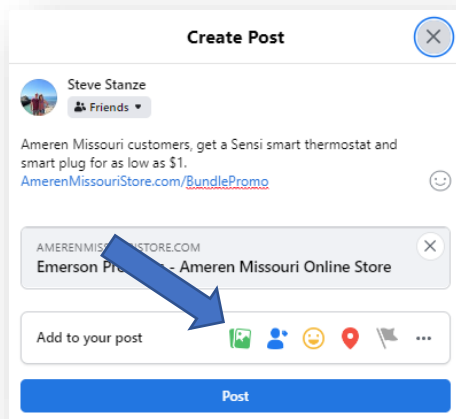

1) Copy and past the suggested copy below. It should automatically detect the URL included and appear as the example below.

   SUGGESTED COPY:
   Ameren Missouri customers, get a Sensi smart thermostat and smart plug for as low as $1.
   AmerenMissouriStore.com/BundlePromo

2) Now click the green image icon under "Add to your post".

3) Attach the included image titled "Emerson_Ameren Social Image.png". The preview should now look like the below. If so, select "Post" and you are all set.
