

# Handling food is your business. Helping you do it safely is ours.

*For decades, we've been dedicated to supporting helping schools serve up more than just meals — delivering innovative, safe, and kid-friendly food solutions from farm to fork.*

**COOPER-ATKINS**

**Tools that work as hard as you do — from breakfast bell to lunch line.**

Empower your team with tools to prep, serve, and maintain a safe, clean environment. Our solutions save time, reduce waste, and improve efficiency so you can focus on what truly matters: delivering excellence to your students.

**Bimetal Thermometers**

- 3270-05-5**  
Bimetal Deep-Fry Thermometer
- **Material Description:** Thermometer Deep Fry with Clip
  - **50°F to 500°F**
  - **Case Pack:** 6 EA/CS

- 3210**  
Bimetal Grill Surface Thermometer
- **Material Description:** Thermometer Grill Surface
  - **Case Pack:** 36 EA/CS

- 322-01-1**  
Bimetal Candy / Jelly / Deep-Fry Thermometer
- **Material Description:** Thermometer Candy Fry
  - **200°F to 400°F**
  - **Case Pack:** 36 EA/CS

- 1246-02-1/2**  
Bimetal Pocket Test (0°F TO 220°F)
- **Material Description:** Thermometer Pocket Test with Sheath
  - **0°F to 220°F**
  - **Case Pack:** 36 EA/CS

- 1246-03-1**  
Bimetal Pocket Test (50°F TO 550°F)
- **Material Description:** Thermometer Pocket Test with Sheath
  - **50°F to 550°F**
  - **Case Pack:** 6 units per package/36 per carton

**Refrigerator/ Freezer Thermometers**

- 25HP-01-1**  
Refrigerator Thermometer
- **Material Description:** Thermometer Refrigerator -20°F to 80°F
  - **Case Pack:** 36 EA/CS

- 335-01-1**  
Horizontal Glass Tube Thermometer
- **Material Description:** Thermometer Refrigerator -40°F to 80°F
  - **Case Pack:** 6 units per package/36 per carton

- 330-0-1/4**  
Vertical Refrigerator/Freezer Tube Thermometer
- **Material Description:** Thermometer Refrig/Freezer -40°F to 120°F
  - **Case Pack:** 50 EA/CS

- 535-0-8**  
Cooler Thermometer
- **Material Description:** Thermometer Cooler -20°F to 80°F
  - **Case Pack:** 36 EA/CS

**Thermocouples**

- 92020-14**  
Multi-Function Thermometer (MFT) with Bracket
- **Material Description:** Multi-Function Bluetooth Thermometer with Wall-Mount Bracket
  - **Case Pack:** 24 EA/CS

- 93230-K**  
EconoTemp Thermocouple with Probe and Bracket
- **Material Description:** Thermocouple Thermometer with DuraNeedle Probe and Wall-Mount Bracket
  - **Case Pack:** 1 EA

- 35132-K**  
AquaTuff Thermocouple with Wrap&Stow DuraNeedle Probe
- **Material Description:** Thermocouple Thermometer with DuraNeedle Probe
  - **Case Pack:** 1 EA

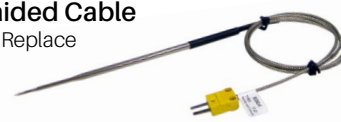

- 94003-K**  
AquaTuff Waterproof Thermocouple with MicroNeedle Probe
- **Material Description:** Thermocouple with Microprobe Needle
  - **Case Pack:** 1 EA

**Type-K Probes**

- 50360-K**  
Oven Needle Probe Braided Cable
- **Material Description:** Probe Replace MicroNeedle 10-1/2x6"
  - **Case Pack:** 1 EA

- 50336-K**  
DuraNeedle Probe Coil Cable
- **Material Description:** Probe Sturdler Needle 3°Ft Cable
  - **Case Pack:** 1 EA

- 50209-K**  
MicroNeedle Probe
- **Material Description:** Probe Needle Braided Cable SS
  - **Case Pack:** 1 EA

- 50337-K**  
DuraNeedle Direct Connect Probe
- **Material Description:** Probe Sturdler Needle
  - **Case Pack:** 1 EA

**Accessories**

- 9150**  
Thermometer Probe Wipes
- **Material Description:** 70% Isoprophyl
  - **Case Pack:** 200 Wipe Packets per Box, 10 Boxes per Carton

## Timers

### FT24-0-3

#### Large Single-Station Timer

- **Material Description:** Digital Countdown Timer 24 Hour
- **Case Pack:** 10 EA/CS

### DTT361-01

#### Cook N Cool Thermometer/Timer

- **Material Description:** Thermometer Timer Digital -25°F to 392°F
- **Case Pack:** 36 EA/CS

### TC6-0-8

#### Six-Button Timer/Clock/Stopwatch

- **Material Description:** Timer / Clock / Stop Watch Digital 24 Hour
- **Case Pack:** 36 EA/CS

### TFS4-01

#### Large Multi-Station Timer

- **Material Description:** Timer Digital with LCD Multi Channel
- **Case Pack:** 6 EA/CS

### TW3-0-8

#### Large Digital Multi-Function Timer

- **Material Description:** Timer Large Digit LCD Screen
- **Case Pack:** 6 EA/CS

## Other Thermometers

### 94100

#### KwikSwitch Folding Thermocouple with Probe

- **Material Description:** KwikSwitch Folding Thermocouple with Probe, ABS Plastic Housing
- **Case Pack:** 6 Units per Package, 36 Units per Master Carton

### 94100-01

#### Steak Genius Folding Thermocouple with Probe

- **Material Description:** Steak Genius Folding Thermocouple with Probe, ABS Plastic Housing
- **Case Pack:** 6 Units per Package, 36 Units per Master Carton

### 94100-B

#### KwikSwitch Folding Thermocouple with Bluetooth and Probe

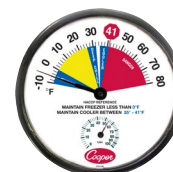

- **Material Description:** KwikSwitch Folding Thermocouple instrument with Probe transmits temperatures wirelessly to your mobile device via **Bluetooth** Low Energy, ABS Plastic Housing
- **Case Pack:** 6 Units per Package, 36 Units per Master Carton

### 212-159-8

#### Refrigerator/Freezer Wall Thermometer

- **Material Description:** Thermometer Wall Freeze and Cooler
- **Case Pack:** 10 EA/CS

### 24HP-01-1

#### Stainless Steel Oven Thermometer

- **Material Description:** Thermometer Oven 100°F to 600°F
- **Case Pack:** 36 EA/CS
