

Cooper-Atkins Sales Activation Program
Wave 3: Type-K Thermocouple Probes
Email Banner

Probe Type Email Banners

Description

Email-ready artwork featuring icons for individual probe types with the Cooper-Atkins logo. Four banners in all, one featuring all probe types three each featuring one type: insertion, air or surface.

Use

Create a professional-looking message promoting our variety of Type-K probes or tell a story about an individual probe type (e.g., insertion, air, and surface).
