## HVAC MONITORING

Sensi smart thermostats deliver information homeowners need to maintain their HVAC equipment:

### SMART ALERTS

Notifies customers when their system may need service, and your contact info is a click away.

### SERVICE REMINDERS

Tells customers to contact you for routine maintenance or service.

### USAGE REPORTS

Provides valuable system information to your customers with your company name prominently displayed every month.

## EASY TO INSTALL & CONNECT

Features illuminated easy-click terminals and in-app instructions.

## SENSI PARTNER PROGRAM

Put your name and contact info in front of customers right when they need it. You'll reach customers through digital branding, smart alerts, service reminders, monthly usage reports, in-app branding and the Find A Pro tool.

## CONTRACTOR MODE

With Contractor Mode, you can easily connect to every customer by registering thermostats individually or in batches.

## HUMIDITY CONTROL

Help homeowners stay comfortable with humidification/dehumidification control.

## KEYPAD LOCKOUT

Maintain total control by disabling changes made by others at the thermostat

## TEMPERATURE LIMITS

Prevent others from adjusting temperatures too high or too low.

## SMART HOME COMPATIBLE

Works with Amazon Alexa, Google Assistant, and Samsung SmartThings smart home platforms.
