

# MRLDS

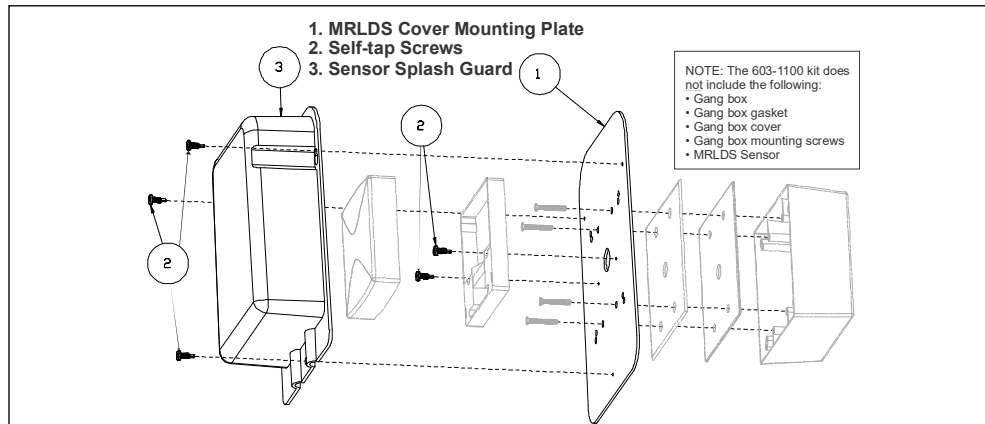

## Splash Guard Mounting Kit (P/N 603-1100)

This technical bulletin explains how to install the MRLDS Splash Guard Mounting Kit (P/N 603-1100). The MRLDS Splash Guard Mounting Kit (P/N 603-1100) includes the following components:

Part Number	Description
303-1126	MRLDS Cover Mounting Plate
102-0050	8-32, 1/2", Phillips, Self-tap Screw
303-1128	Sensor Splash Guard

### Installation Instructions

1. Mount plate to gang box using the screws from the gang box cover. The plate (P/N 303-1126) can act as the gang box cover provided that the conduit entering the assembly is sealed, preventing air from outside the cooler/freezer from entering through the conduit.
2. Mount the MRLDS base to the plate (P/N 303-1126) using two of the included screws (P/N 102-0050). Two pilot holes are provided.
3. Wire the MRLDS Terminals and snap the sensor into the base.
4. Secure the Sensor Splash Guard (P/N 303-1128) to the plate using the remaining three screws, P/N 102-0050. Three pilot holes are provided, two on the sides at the top and one centered at the bottom.
