

Cooper-Atkins Sales Activation Program
Wave 4: Multi-Function Thermometer (MFT)
Sell Sheets

MFT Sell Sheets

Description

PDF files for 4 collateral pieces that support sales of the Cooper-Atkins Multi-Function Thermometer:

- An overview sheet with key details and specs for the MFT
- An overview sheet with information on the MFT Mounting Bracket
- An overview sheet for a kit including the MFT and a Type-K DuraNeedle Probe
- A multi-page guide with detailed instructions for use of the MFT

Use

These files can be emailed, presented from a screen or printed. They're ready to go as-is or can be updated to include your contact information with PDF editing software.
